

Business Management/Tourism Internship in Muscat / Oman

Do you see your future in international tourism?
Do you look for the chance to get an insight view in a young and innovative agency, while improving your language skills at the same time?

From February, 1st 2012 we offer a six months versatile and very diversified internship with our associate partner office Rahalah in Muscat.

Who are we

Over 15 years NOMAD. REISEN ZU DEN MENSCHEN is the leading specialist for sustainable expeditions and trekking journeys in the Islamic world. Our most important destination is Oman. We founded our own agency in 2010: RAHALAH explore Arabia!

We offer cameltreks, treks with pack animals and hiking journeys, culture- and encounter journeys, expeditions and desert journeys, individual- and special group trips.

What can you expect

You get a profound insight in our working fields (daily business, marketing, destination management).

Your duties and responsibilities are among others handling incoming requests, bookings and stay in contact to our local service provider.

In individual cases will be welcoming our clients as well at the airport.

Furthermore you help with the compilation of the travel documents and the equipment.

In our Marketing department you help to maintain our web pages and you will be able to write your own texts as well.

Your task in our Destination Management will include development of our module programmes and their publication. You will be involved in the preparations for the bicycle tour Hongkong-London, which crosses Oman in April 2012.

Your profile

You are interested in our way of travelling and are experienced in travelling yourself.

You are reliable and have good PC knowledge (word processing, spreadsheet programmes, data base applications, internet).

You are open minded, have a fast grasp and language skills in English and ideally Arabic.

You enjoy dealing with people and are experienced on the telephone.

What we offer

We pay our Trainee in Muscat/Oman lunch and a monthly pocket money.

And of course we help to find a cheap place to stay.

Before or during the internship our trainees can take parts on our tours to special prices on request. Furthermore we offer the opportunity to visit the partner office in Gerolstein/Germany and work there for two weeks.

Currently we aspire a cooperation with the Sultan Qabus University in Muscat so that integration in student activities and research projects will be possible in the future.

We look forward to your written applications with covering letter, curriculum vitae and motivation letter.

Your person in charge is Julietta Baums (julietta@rahalah.org).
